

Band & Dance Team Car Wash!!

The goal is to raise as much money as possible to begin setting aside funds for the London trip this school year as well as earn some money for normal operating expenses. So if you are a student and not going to London this year, we still need your help. Money not designated for London will help charter busses to competitions, purchase flags, pay for guest clinicians etc.

What to do:

GET SPONSORS

1. Start NOW getting sponsors. The success of this event depends on how much effort everyone puts into finding sponsors. The more sponsors you get, the more money you make!
2. Where to get sponsors: EVERYWHERE. Your friends, neighbors, parents, relatives, the mail carrier - anyone who wants their car washed as well as those who just want to help the band or dance team or YOU.
3. Procedure: Tell people that you are raising money for the band and dance team's invitation to perform in London, England for the New Years Day parade in 2015; this is a BIG honor. We are also raising money for other expenses as noted above.
4. Pledges: Have your sponsor fill out the pledge sheet. Make sure they put their address and phone number so you can get back to them AFTER the car wash. Give them a "Sponsor Special" coupon to bring to the Car Wash showing that they have already pledged to our effort.

COME TO THE CAR WASH

5. Since we are combining forces with ALL of the bands and Dance Team we will have three locations. Everyone will be divided into teams and will work a three and a half hour shift at one of the locations. You may stay longer if you wish. The locations are:
 - a. 7-11, 95th and Antioch
 - b. Westlake Hardware, 87th and Antioch
 - c. Westlake Hardware, 87th and Lackman
6. Come to the car wash prior to your appointed time. The date is Saturday, August 2, from 9 a.m. - 4 p.m. (8:45-12:45 & 12:30-4:30). The more cars we wash, the more money you make.

COLLECT YOUR MONEY

7. Get back to all of your sponsors the week after the Car Wash and collect your money. All money should be turned in by Friday, August 15. We will have collection envelopes for you.

Each person's individual goal should be *at least* 20 pledges (1 full sheet). Try to get people to pledge 2 or 3 cents per car. We'll wash between 300-400 cars - that's a \$6-\$12 donation AND a free carwash. The BIG money is made from the pledge PER CAR. If collectively, we raise over \$15,000 Mr. Thomas will come to school with his hair dyed pink for the first Tuesday night rehearsal! Last year we made \$12-13,000

Good luck and let's have some fun!
