The band and dance team of Shawnee Mission West High School is hosting a FREE car wash on Saturday, August 17 from 9:00 a.m to 4:00 p.m. During that time we will wash as many cars as possible in order to raise money for the band and dance team to travel to a London, England for the New Years Day Parade in 2015! We are asking for the support of the SM West community through small pledges in helping us reach our destination. We committ to wash at least 300 cars (and proably more) on this one day. In return you will make the above agreed donation to the SM West Bands. If you have any questions, please call the SM West Band Office - 993-7852. And please - bring your car for a free wash!  
Sincerely, Bill Thomas, Anne McLain and the SM West Band and Dance Team Students.
